

IMPORTANT INFORMATION

Akins High School is a new high school that opened in the 2000-2001 school year. For the 2001-2002 school year, Akins will have students in grades nine through eleven. Twelfth grade students who have moved into the Akins assignment area are assigned to the high school designated by the area in which they reside. Below is a list of assignment areas and the corresponding high school that any 12th grader residing in the Akins area for 2001-2002 would be attending.
